The concerned secretary of the college and the General Secretary have been included in the purchasing team. The institution has also stressed cleanliness and beautification of the campus. The permanent gardener and the NSS cell of the college have taken the leading role in this direction. Further the college administration arranges for students outdoor knowledge acquiring activities including field trip, educational excursion etc. Students are immensely benefited by such breaks from the college routine. Moreover to keep pace with the fast changing world, NH college authority has emphasized e-learning and ICR skills. To this end a digital room has been developed in the ground floor of the central library. Besides, projectors have been set up in each classroom. Commerce stream has been introduced in NH College as per NAAC peer team recommendation. The authority is mulling the introduction of Science stream in near future.
