2. Title: Community development:

Objective of the practice:

- To generate awareness of community responsibilities among students.
- To develop infrastructure of the adopting village.

The context:

Driven by the commitment for bridging social disparities, Nirmal Haloi College has adopted a nearby Village “Barshahan” for the development of communication as well as Educational and cultural development of the people of the village.

Practice:

- The institution constructs a road to public crematorium in the village Barsahan involving the students of the institution guided by the faculties under NSS in co-operation with villagers.
- Through the various social works such as National Service Scheme (NSS) promotes inclusivity at all levels.

Evidence of success:

- Various initiatives were executed by NSS such as construction of roads and crematorium through which the communication to the crematorium is favorable even in the rainy season for the villagers.
- The college has established drinking water facilities for the villagers in the crematorium and a construction of rest house is going on in that place.

Problems Encountered and resources required:

- Additional funds are required for organizing such activities and to developed infrastructure in the poor village.
- Due to lack of funds, it is very difficult to solves the problems of the village.
