Report on Observance of World Earth Day

Date: 22 April (Earth Day)
Venue: Nirmal Haloi College

On the occasion of **World Earth Day**, the NSS Unit conducted a **documentary screening** on the life and work of **Jadav Payeng**, popularly known as the “**Forest Man.**” The programme aimed to inspire students and community members to understand the importance of environmental protection and to promote responsible actions for restoring nature.

Documentary Highlights

The documentary depicted how **Jadav Payeng transformed an area of barren land into a dense forest** through his dedication and continuous efforts. It highlighted:

- The impact of human actions on nature
- The importance of biodiversity and forest ecosystems
- How one person’s determination can bring positive environmental change
- The need for awareness, sustainability, and long-term commitment

The documentary screening on **Forest Man: Jadav Payeng** proved to be a meaningful Earth Day activity. It successfully encouraged participants to reflect on environmental responsibility and to commit themselves to protecting and nurturing the Earth. The event concluded with a strong message that **small consistent actions can lead to big ecological progress.**
